

## ONLINE WINTER PROGRAM ABOUT EUROPE

*Expand your horizons and earn credits from the comfort of your home!*

The University of Pécs in Hungary is now offering the following online program to all interested students:

### European Studies (February 13 – 24, 2023)

The aim of the online program is to give students a detailed understanding of the politics, economy and societies of Europe. Students can learn together for two weeks and broaden their professional views by integrating European aspects. The interdisciplinary course is composed of various classes and examines several compelling and unique topics including political and economic transitions, the current role of the European Union, gender studies, folk traditions, migration and security in the region. Various exciting and very enjoyable social programs will also be organized for the participants to provide a unique intercultural experience.

Program fee: 440 EUR | Earned credits: 5 ECTS credits | Platform: Microsoft Teams

**Deadline of application: December 15, 2022**

Language of instruction: English
